

**Magnum Precision Machines in Albuquerque:**

8448 Washington Place N.E., Albuquerque, New Mexico 87113

Phone: (505) 345-8389; Fax: (505) 344-7167

Email: [magnumalb@magnumprecisionmachines.com](mailto:magnumalb@magnumprecisionmachines.com)

**Magnum Precision Machines in El Paso:**

12025 Rojas Drive, Suite A, El Paso, Texas 79936

Phone: (915) 856-7900; Fax: (915) 857-4700

Email: [Magnumep@whc.net](mailto:Magnumep@whc.net)

web site: [magnumprecisionmachines.com](http://magnumprecisionmachines.com)

## Turning

**Clausing Colchester** geared head and variable speed engine lathes 11"-41" swing  
CNC turning centers; CNC lathes  
<http://www.clausing-industrial.com>

**Fryer Machine Systems Inc.** CNC Turning centers, toolroom flat bed and slant bed  
<http://www.fryermachine.com>

**Mazak Corporation** 2-thru-6 axis CNC turning centers  
<http://www.mazakusa.com>

**Metosa (Clausing)** 13" thru 32" engine lathes  
<http://www.clausing-industrial.com>

**Toolmex** medium (17" swing) to large (118") manual lathes  
<http://www.toolmex.com>

**Star Swiss** type CNC automated lathes  
<http://www.starcnc.com>

## Milling

**Anilam** OEM and retrofit CNC controls for milling machines  
<http://www.anilam.com>

**Fryer Machine Systems Inc.** CNC bed mills and machining centers  
<http://www.fryermachine.com>

**Kent USA** manual knee and bed mills, single and three phase  
without converter  
<http://www.kentusa.com>

**Kondia (Clausing)** manual and CNC vertical milling machines  
<http://www.clausing-industrial.com>

**Mazak Corporation** horizontal and vertical machining centers, flexible manufacturing centers  
<http://www.mazakusa.com>

**Republic Lagun** horizontal, vertical and bed type milling machines  
<http://www.republiclaguncnc.com>

**Willis Microcut** vertical manual milling machines  
<http://www.willismachinery.com>

## Electrical Discharge Machines

**Hansvedt** manual and CNC sinker EDM machines  
<http://www.hansvedtedm.com>

**Mitsubishi EDM** CNC RAM type EDM machines, CNC wire cut EDM machines, EDM drills  
<http://www.mitsubishi-world.com>

**System 3R** RAM and wire EDM tooling  
<http://www.system3r.com>

## Grinding

**Baldor Grinders** 6" and 7" grinders; 8", 10" and 12" industrial grinders; 12" and 14" heavy duty grinders, buffers 1/4 thru 10 HP abrasive belt grinders, dust control units, accessories for bench grinders  
<http://www.baldor.com>

**Okamoto** large selection of ID, OD and surface grinders — manual, automatic and CNC  
<http://www.okamotocorp.com>

## Quality Assurance

**Heidenhain** electronic switching probes, machine verification gauges  
<http://www.heidenhain.com>

**Mycrona** multi-sensing CNC coordinate measuring machines  
<http://www.mycrona.net>

**Renishaw** electronic switching probes, styli, machine checking gauges  
<http://www.renishaw.com>

**Scherr-Tumico** optical comparators, video, complete line of measuring hand tools  
<http://www.stindustries.com>

**Xspect Solutions/Wenzel** CMM control retrofits, manual and CNC coordinate measuring machines — all sizes — featuring open DIMIS  
<http://www.xspectolutions.com>

## Fabricating

**Automec** CNC front and back gauging for brakes and shears  
<http://www.automec.com>

**Baileigh Industrial** metal fabricating equipment: rotary draw benders, pipe notchers  
<http://www.bii1.com>

**Durma** hydraulic press brakes, hydraulic shears, manual and CNC gauging  
<http://www.durmazlar.com.tr>

**Eagle Bending** angle and plate rolls  
<http://www.eaglebendingmachines.com>

**Edwards** hydraulic ironworkers  
<http://www.edwardsironworkers.com>

**Finn Power** CNC punching and fabricating centers, CO2 laser cutting systems, automated bending systems, CNC press brakes  
<http://www.finnpower.com>

**Flagler** Pittsburgh and sheet metal forming equipment  
<http://www.flaglercorp.com>

**Forney** 5 KVA thru 60 KVA spot welders  
<http://www.forneyind.com>

**Franklin Manufacturing** portable punching equipment, web presses  
<http://www.fmi-solutions.com>

**Hossfeld** manual and hydraulic benders  
<http://www.hossfeldbender.com>

**Hougen Manufacturing** mag drills, annular cutters, hole punchers and paint shakers  
<http://www.hougen.com>

**Janda** Rocker Arm Spot Welders, 30KVA–50KVA  
<http://www.jandawelders.com>

<b>Mazak Laser</b>	CNC 3-axis laser sheet cutters, 5-axis laser systems <a href="http://www.mazakusa.com">http://www.mazakusa.com</a>
<b>MG Systems</b>	CNC plasma cutting systems <a href="http://www.mg-systems-welding.com">http://www.mg-systems-welding.com</a>
<b>Mitsubishi</b>	precision water jet cutting systems <a href="http://www.mitsubishi-waterjet.com">http://www.mitsubishi-waterjet.com</a>
<b>Ocean Manufacturing</b>	beam fabricating equipment <a href="http://www.oceanavenger.com">http://www.oceanavenger.com</a>
<b>Panjiris</b>	weld positioners, manipulators, seam and beam equipment <a href="http://www.pandjiris.com">http://www.pandjiris.com</a>
<b>Pines</b>	hydraulic programable and CNC tube benders <a href="http://www.pines-mfg.com">http://www.pines-mfg.com</a>
<b>Roper Whitney</b>	“Pexto” sheet metal equipment, manual and hydraulic shears, hand brakes, rolls and hand tools, pro-fab CNC <a href="http://www.roperwhitney.com">http://www.roperwhitney.com</a>
<b>Spot Welding Inc.</b>	15 KVA thru 400 KVA spot welders and total spot welding systems <a href="http://www.spotweldinc.com">http://www.spotweldinc.com</a>
<b>Webb Corporation</b>	seam welders, turning rolls, fit up rolls, plate bending rolls <a href="http://www.webbcorporation.com">http://www.webbcorporation.com</a>
<b>TRUMPF</b>	electric power tools, shears, nibblers, panel cutters, seam lockers, power fasteners, bevellers, and deburrers <a href="http://www.trumpf-powertools.com">http://www.trumpf-powertools.com</a>
<b>Vicon Systems</b>	precision plasma cutting systems <a href="http://www.plasma-automation.com">http://www.plasma-automation.com</a>

## Drilling

<b>Clausing</b>	variable speed drill presses — bench and floor model, multi head drills, radial arm drills <a href="http://www.clausing-industrial.com">http://www.clausing-industrial.com</a>
<b>Willis</b>	geared head drill presses, radial arm drills, tapping systems, live centers, slide table chucks <a href="http://www.willismachinery.com">http://www.willismachinery.com</a>

## Sawing

**Dake** manual and fully automatic bandsaws, vertical bandsaws, manual, semi-auto and automatic cold saws  
<http://www.dake-div-jsjcorp.com>

**Hyd-Mech** manual, automatic and N/C controlled horizontal and vertical bandsaws  
<http://www.hydmech.com>

**Ideal** blade welders

**Kalamazoo** Industries belt sanders, chop saws and chucks  
<http://www.kalamazooindustries.com>

**Roll-In** vertical “roll-in” type saws  
<http://www.thomasregional.com/no/rollinsaw>

**Wagner** manual and automatic high volume production cold saws, automated CNC sawing systems  
<http://www.klingelhofer.com>

## Automation

**Genesis** automated welding systems  
<http://www.genesis-systems.com>

## Accessories

**Aloris** lathe tool-posts and holders  
<http://www.aloris.com>

**Burnerd Chucks** self-centering universal scroll chucks, independent chucks, oil country chucks, power chucks, multi-size collet system, soft top jaws, face plate jaws  
<http://www.prattburnerd.com>

**Chick** bi-lock and multi-lock workholding vise systems  
<http://www.chick-workholding.com>

**Huron** top jaws: soft, hard, full grips and specials, chucks: “Howa” power chucks — parts and service  
<http://huronmachine.com>

**Iemca** bar feeder systems, single tube and magazine load  
<http://www.iemca.com>

**Kurt** the original “Ang-lock” workholding vises  
<http://www.kurt.com>

**Lyndex Nikken** indexers and CNC rotary tables  
<http://www.lyndexnikken.com>

**Royal Products** machine tool accessories: collet closures, machine mounting pads  
<http://www.royalprod.com>

**SMW** air and hydraulic lathe chucks and bar feeding systems  
<http://www.smwautoblok.com>

**Tecnara Tooling Systems** Kitagawa CNC rotary tables  
<http://www.tecnaratools.com>

**Troyke** manual and CNC rotary tables  
<http://www.troyke.com>

**Tsudakoma** N/C rotary tables  
<http://www.komaprecision.com>

## Tooling

**Challenge** precision layout and inspection tooling, workholding fixtures  
components, machine bases

**Cleveland Punch** punches and dies for ironworkers and punches shear blades  
<http://www.clevelandpunch.com>

**Kennametal** carbide tooling  
<http://www.kennametal.com>

**Mubea** <http://www.mubeamachines.com>

**System 3-R** wire EDM and sinker EDM tooling and systems  
<http://www.system3r.com>

**Yuasa** rotary tables, rotary indexers  
<http://www.yuasa-intl.com>

## Miscellaneous

**Almco** deburring and finishing systems, tumblers  
<http://www.almcoinc.com>

**Anilam** digital readout systems  
<http://www.anilam.com>

<b>Belmont</b>	conventional EDM supplies <a href="http://www.belmont4edm.com">http://www.belmont4edm.com</a>
<b>Blaser Swisslube</b>	mineral and vegetable based water soluble machine tool coolant <a href="http://www.blaser.com">http://www.blaser.com</a>
<b>DP Technology</b>	CAD/CAM programming systems <a href="http://www.dptechnology.com">http://www.dptechnology.com</a>
<b>Econoline</b>	sandblasting units, blasting media, gloves, etc. <a href="http://www.sandblasting.com">http://www.sandblasting.com</a>
<b>Heidenhain</b>	digital readouts , rotary and linear encoders <a href="http://www.heidenhain.com">http://www.heidenhain.com</a>
<b>Komatsu</b>	OBI, OBS and straight side presses — 25 to 800 tons <a href="http://www.komatsupress.com">http://www.komatsupress.com</a>
<b>Mifco</b>	“McEnglevan” heat treating furnaces and ovens <a href="http://www.mifco.com">http://www.mifco.com</a>
<b>Mitsubishi</b>	CPG: EDM supplies <a href="http://www.mitsubishi-world.com">http://www.mitsubishi-world.com</a>
<b>OS Walker</b>	magnetic holding chucks and controls, sine plates <a href="http://www.walkermagnet.com">http://www.walkermagnet.com</a>
<b>Phase-A-Matic</b>	static and rotary phase converters <a href="http://www.phase-a-matic.com">http://www.phase-a-matic.com</a>
<b>Rofin-Baasel</b>	laser marking <a href="http://rofin-baasel.com">http://rofin-baasel.com</a>
<b>Torit</b>	dust and mist collection systems <a href="http://www.toritdce.com">http://www.toritdce.com</a>
<b>Vogel</b>	tube piercing, punching, notching tooling and fixturing <a href="http://www.vogeltool.com">http://www.vogeltool.com</a>
